Republican Rally at Graham.

On Tuesday night the Taft, Sherman and Slem Club, of Graham, had a splendid rally. An audience of about 200, nearly all voters, had assembled, and the speaker for the occasion, Hon. John C. Noel, was introduced by H. C. Calloway, president of the club. Mr. Noel made a fine address, holding the close attention of his auditors for one hour and a half. He not only presented the principles of the Republican party with great force but scored the Bryan Democracy.

At the conclusion of Mr. Noel's speech, Wm. C. Pendleton, who was present, was called for and talked to the people for about half an hour.

The Republicans of Graham are among the most earnest and aggressive in the county. They are thoroughly united for the candidates of their party, and will give a good report on the 3rd of November.

William E. Liddle was injured so severely in the mines at Pocahontas one day last week that his death ensued a short time thereafter. He was 29 years of age, and a native of Grayson county, Va., to which place his remains were taken for burial.

Mr. and Mrs. Henry Preston, who left Tazewell about ten days ago for a short stay with friends in New York City and Berryville, Va., have decided to visit several of the most important European cities before returning home. They sailed from New York on Thursday of last week, and expect to return to the States about the latter part of the present month or the first week in November.

Mr. and Mrs. R. Walter Dickenson, of Castlewood, Va., have issued cards for the marriage of their daughter, Miss Eugenia, to Mr. Albert Sidney Higginbotham. The bride-to-be is a very charming young lady, and the prospective bridegroom is one of the leading members of the Tazewell bar. The marriage will take place at Wal-rose, the home of Mr. and Mrs. Dickenson, in Russell county, on the afternoon of the 22nd of October.

Our correspondent at Tiptop sends us the following: "According to appointment, Hon. J. C. Noel, of Lee county, addressed a house full of people at the Masonic building at this place the 6th instant. We consider this speech to be the best that has been made here in years, and it was not hard to see that the people of this precinct are in favor of a continuation of the Roosevelt policies. This precinct will give the Republican ticket a large majority."

Mr. John D. Snidow, of Pearisburg, Va., has sent out invitations for the marriage of his daughter, Miss Jane Rane, to Mr. Wharton O'Keefe. The marriage will take place in the Presbyterian church at Pearisburg on the 14th instant at eight o'clock. The prospective bride is well known and much admired at Tazewell, where she has been a frequent visitor to her cousin, Miss Nanola Gillespie. Mr. O'Keefe is a Tazewell boy, son of the late Dr. James O'Keefe and Mrs. Mary O'Keefe, the latter now a resident of this town.

Mr. M. R. McCorkle, general manager of the Raven Red Ash Coal Co., was at Tazewell on yesterday, and stated that his company had been compelled to suspend operation, owing to the fact that the supply of water from Cove Creek is not sufficient to supply the engine boilers, which are used to furnish motive power for the operation of the mine. The creek has practically dried up, owing to the long drouth, and as this is the only source of water supply available, it works a great hardship on those dependent on it, and this company in particular.

You can winter your cow on one-half the feed if you buy fodder from me. Mine is cut. There is absolutely no waste when fed in this way, as it is all eaten. Government reports show about the same nutriment in the stalks as in the blades, if it is prepared for stock to eat. In a load of uncut fodder, at least one-half are stalks that cattle will not eat. This, of course, is a dead loss, money thrown away. I made a thorough test last winter with cut fodder, weighing it out to my cows daily, and can tell you to the pound how much to feed a day, and what the cost will be. Place your order with me now for the coming winter. I will deliver a load or more at a time as you may wish. I have plenty of storage-room for my fodder, and guarantee what you get in March to be as good as that I send in October. Phone No. 32.  
J. G. BUSTON.

### Beautiful Church Wedding.

On yesterday, at one o'clock p. m., a very beautiful wedding took place in the Methodist church at Tazewell. The contracting parties being Miss Mary Helen Fudge, daughter of Captain and Mrs. C. A. Fudge, and Dr. Robert S. Porter, of Middleboro, Ky. The church was beautifully decorated with autumn leaves.

The ceremony was performed by Dr. J. Stuart French, and the music was furnished by Mrs. Rives Walker, at the piano, and Mrs. Bailey, of Bluefield, with violin.

Messrs. Tinley, Hall and Wright were ushers and also acted as attendants. Misses Porter, Buchanan and Ward were attendants for the bride. Mrs. J. Stuart French was matron of honor, Miss Hattie Fudge, maid of honor, Mr. Will Porter, best man, with Elizabeth French and Martha Thompson as flower girls. The bride was given away by her brother-in-law, H. G. Peery, J. J. Peery and J. H. Peery.

As Dr. French pronounced the ceremony the general verdict was that a prettier wedding was seldom seen. When the two had been made one, the maid of honor threw back the bridal veil and the young bride, whom all Tazewell loves, went down the aisle with the husband she had chosen. Her gown was white satin, trimmed with Duchess lace. The attendants wore white satin gowns, with yellow satin sashes and slippers and large black plumed hats, and carried large bunches of yellow chrysanthemums. From the church about seventy-five friends went to the residence of Captain Fudge, where a bountiful luncheon was served. Dr. Porter and his bride left, with a number of his friends, on the afternoon train. They will visit Nashville, Atlanta and other points, and then take up their residence at Middleboro.
